Why Your Business NEEDS Instagram Marketing

Here are some statistics that businesses across every industry simply can't ignore.

- Instagram has over 700 million active users (yup, you heard that right).
- 400 million use the app every single day.
- 80% of these users are outside of the U.S.
- Over 80% of Instagram users follow and engage with multiple businesses, products, or services.
- Over 250 million Instagram users engage with the Instagram stories (paid advertising) each day which makes it a dream come true if paid ads are your focus.

- Users share over 95 million photos and videos each day.
- Most Instagrammers are between 18 to 29 years old.
- 38% of women use Instagram and 26% of men.
- Over 8 million registered businesses use Instagram.
- Over 120 million Instagrammers engage with brands directly after their Instagram engagement—visit their website or profile URL, direct message in Instagram, email, call, visit other social platforms, or get directions.
- By the end of 2017, 70% of brands will be on Instagram.
- Over 60% of users have learned about a new product, services, business, or brand after finding them on Instagram.
- Instagram posts with hashtags receive over 12% more likes, comments, tags, and shares.
- The average business or brand posts 5 times per week.
